

SEND Parents' Forum

8th December 2016

Present: Sarah George (SEND Co-ordinator) and 9 parents

Apologies: Tricia Owen SEND Governor, Chelsea Norman Head of School

The meeting was the first of the year; the first meeting was cancelled due to the school premises closure and relocation to Cedars Academy on 4/10/2016.

SG updated on changes since previous academic year including the new Head of School and initiatives being run in school.

SG asked for suggestions for issues to be discussed at further meetings.

The rest of the forum was taken up looking at the Ipads and use of technology to support learning. There was sharing of tips and ideas amongst parents and SG demonstrated the varied apps beginning to be used in school. We also looked at the many ways in which Ipads can be used to support learning, including dictation uses and reading text, enlarging fonts etc. Discussion was held about android devices and ways in which they can also be used.

Date of Next Meeting

Wednesday 25th January 2017 8.45-9.45am Meeting Room
